Subscription Plan Pricing:

Silver Plan – $100.00 up to 100 accounts each month accepted from the network or entered by you.

Platinum Plan – $200.00 Unlimited accounts each month accepted from the network or entered by you.

For each account over your plan limit except Platinum Plan, you will be charged $2.50 from your RepoSystems Wallet.

Our Setup Fee is $250.00

Your subscription will begin on the 10th day AFTER your initial sign up.

Your billing date is the date that you sign up. The subscription "counts" or "limits" are reset on the 1st of every month, every calendar month. They are not reset on your billing date.

You are allowed to change your subscription plan free of any service charge 2 (two) times in any 1 year period. Each subsequent change will incur a $100 change fee.

RepoPath (iPhone/Android) (additional fee to your monthly subscription after the first 3 user licenses)

$25 Setup Fee and $30 per month per block of 3 user license.

VIN2Plate:

If you utilize our VIN 2 Plate service by requesting a license plate during account creation, editing of an account or utilizing any of our bulk upload services (and request the license plate) we charge $.75 (75 cents) per POSITIVE transaction. Positive transaction means that we charge ONLY if we receive a plate from our vendors. If a plate is not received we will refund the charge to your RepoSystems Wallet.

VIN2Plate requests are processed IMMEDIATELY with response within seconds of purchase.

Skip Tracing Module: (additional fee(s) to your monthly subscription)

Our skip trace technology is based upon a "wallet" prepay system.

You will be scheduled for an onsite visit to assure that you are "who you say you are"
and that you follow certain privacy practices.

To get started, all we need to do is send you the credentialing paperwork and you fax it back to us.

We will need to collect the credentialing fee.
